

NON-RECURRING FEES

Fulfillment Set-Up

\$495.00

Includes computer programming to set up order fulfillment manager. * Fulfillment manager features ability to receive and track orders & inventory; inventory item set-up; account information for shipping; standard reporting functions and client communication.

Pick & Pack America, Inc. (PPA) must receive orders electronically from client's website. Orders will be processed daily and then updated with tracking & order status.

*Special set-up requirements will be estimated on an as needed basis.

Three hours of set-up included. Additional hours from our tech staff cost \$100/hr, billed in 15-minute increments. Rates vary if we must call in vendors for technology setup.

*All set-up fees required prior to job commencement.

NO MONTHLY MINIMUMS

Pick and pack fees are based on the type of product being fulfilled. Numbers estimated here are for small to mid-sized product orders requiring no special packaging arrangements.

Hourly Rates for Labor and Admin

We charge \$65 per hour for labor and an admin fee of \$125 per hour billed in 15 minute increments.

Don't Worry – Fix Your Price
