

NON-RECURRING FEES

Fulfillment Set-Up

\$550.00

Includes computer programming to set up order fulfillment manager. * Fulfillment manager features the ability to receive and track orders & inventory; inventory item set-up; account information for shipping; standard reporting functions and client communication.

Pick & Pack America, Inc. (PPA) must receive orders electronically from the client's website. Orders will be processed daily and then updated with tracking & order status.

*Special set-up requirements will be estimated on an as-needed basis.

Three hours of set-up included. Additional hours from our tech staff cost \$100/hr, billed in 15-minute increments. Rates vary if we must call in vendors for technology setup.

*All set-up fees are required before job commencement.

NO MONTHLY MINIMUMS

Pick and pack fees are based on the type of product being fulfilled. Numbers estimated here are for small to mid-sized product orders requiring no special packaging arrangements.

Hourly Rates for Labor and Admin

We charge \$85 per hour for labor and an admin fee of \$125 per hour billed in 15-minute increments.

Don't Worry – Fix Your Price

After we know what you want us to pack for you it's easy for us to quote you a fixed price! Call us today and we'll get back to you the next business day with a price.
